FIRST FRIDAY AT 8 AM MASS

From the Desk of Fr. Chris

There's a joke somewhere with the last line of Acts today – “even a large group of priests were becoming obedient to the faith.” Imagine that! Of course, Acts was talking about the Jewish priestly class and not the presbyters of today, but still... I can imagine my mom's reaction to that line, “Maybe so, but they're still not obedient to their mothers!” I have described our relationship as messy and contentious in the past. I've hurt her, embarrassed her, lied to her, and been the cause of much worry for her. I suspect I'm not the only one who has treated their mother in such a way. And yet, whenever I walk through her door, she welcomes me with open arms and makes me feel like the most special person in the world. We all have someone that loves us beyond our imaginings and despite all the sorry things we do. That's just a tiny taste of how special each of us is to God and how much God loves us. Remember to give thanks and say a prayer for that special person this weekend, and a Happy Mother's Day to all our moms!

A Prayer for Mother's Day

All-loving God, we give you thanks and praise for mothers young and old. We pray for young mothers, who give life and count toes and tend to our every need; may they be blessed with patience and tenderness to care for their families and themselves with great joy. We pray for our own mothers who have nurtured and cared for us; may they continue to guide us in strong and gentle ways. We remember mothers who are separated from their children because of war, poverty, or conflict; may they feel the loving embrace of our God who wipes every tear away. We pray for women who are not mothers but still love and shape us with motherly care and compassion. We remember mothers, grandmothers, and great-grandmothers who are no longer with us but who live forever in our memory and nourish us with their love. Amen.

Senior Spotlight

Mark Olberding is a graduating senior from Tanque Verde HS. He played football all four years in High School and plans on attending Pima in the fall and then transferring to the University of Arizona. Mark has been an active leader since I started working with this youth group, and Mark reflected that "I think we started coming here (Corpus Christi) on Mother's Day 4 years ago and that's when you recruited us." I am so grateful for his accepting our invitation and from that moment on, becoming one of the founding pillars of this group! Mark serves in the Usher Ministry as well as continuing to lead and mentor both JR & HS groups and was awarded the Saint John Paul II Youth Award this year for his community service, catechesis and evangelization thru his actions. Mark and his family were instrumental with the projects to support the military with cards, and packages and Mark said "With youth group I always had fun writing the letters to the soldiers. I know we didn't start that till recently but I really like doing that because I'm a big supporter of the military." We are blessed to have Mark continue as a leader when he can in the future and are very proud of him.

Michael Montano is graduating from Empire High School in the Vail school district. Michael has been on the Track and Field team all four years. He competes in the high jump, long jump, triple jump and 200 meters. For the last 2 ½ years Michael has also been a stand out employee at Gusto Italian Restaurant. Starting in July, Michael will travel in the **Up With People** as a cast member. His journey will begin with one month in Denver rehearsing. Once the cast hits the road, he will travel to the East Coast, Mexico, Germany and the Netherlands. When Michael returns, he will begin his studies at Pima Community College with the goal of transferring to the University of Arizona. He plans to major in Accounting and pursue a career in business. Michael has been another one of the corner stones of youth group, participating and leading small groups as well as mission projects and serving in the Usher Ministry. Michael was awarded the Saint John Paul II Youth Award this year for his contributions. We look forward to getting updates from his upcoming adventure!
