FIRST FRIDAY AT 8AM MASS

Your Corpus Christi Safety & Security Team is offering the parish community a new education course to teach evidence-based, life-saving bleeding control techniques which have been shown to dramatically increase survival in emergency situations. The course is presented by the ICSave program in conjunction with our Diocesan office and teaches life-saving medical interventions, including bleeding control with a tourniquet, bleeding control with gauze packs, and opening an airway to allow a casualty to breathe. The course is designed for folks who could benefit from this basic knowledge. It will be held here on Saturday morning, May 12, in two different sessions from 9–11:30 and 1–3:30. There is no cost for the course or course materials. Sign-up after masses or in the Parish Office. For more information, contact the Office or Jimmie Stewart at (520) 247-2464.

We welcome all who are visiting our Corpus Christi Faith Community for the first time or are frequent visitors. We are honored by your presence. If we can be of service to you, please do not hesitate to call on us.

Fr. Richard's Recommended Book List

During the month of May, Catholics traditionally honor the Blessed Mother. Corpus Christi begins this celebration of Mary by providing flowers for the First Communicants to present to her at the altar. Her statue is then left in the sanctuary during the rest of the month. As all are aware, Mary has been given many titles by the church and, this year, Liturgical Life Ministry will publish a description of different titles in the bulletin each week in May.

SENIOR SPOTLIGHT

Kyle Feilmeier is graduating from Andrada Polytechnic HS and is a 4.0 student and hopes to earn at least three certificates in ACT by the end of the year. He works at Carl's Jr. and plans to go to Pima Community College and then transfer and complete his Masters in computer science. He is from a family of five and his hobbies are detailing his car, volunteering, and hanging out with friends. Kyle says, "A big part of Youth Group was making friends and volunteering. Almost every month we came together and helped others. I enjoyed making food for people struggling around the state. Knowing I helped someone fill their stomach left me with a great feeling. I loved helping the locals. This is a great experience for young people that haven't volunteered much before. Youth Group prepared me to complete Confirmation. Confirmation was a great and fulfilling event that make me feel much closer to God. Completing Confirmation is a big part in my life. I have learned and completed a lot through the Youth Group." Kyle helped out with Ushering and participated in the Christmas Eve Pageant! We loved having his help in Youth Group and look forward to all the wonderful things he will accomplish in his bright future!

SENIOR SPOTLIGHT

Alexis Tapia is a senior at Sahuaro HS and will be continuing her education and playing soccer at Community College. She plans on studying physical therapy or ultrasound technology. Alexis says, "Being a part of the youth group was such an amazing experience and I'm grateful to be a part of it. Stacey was such a big part of this experience and I am so thankful to have her as a mentor. She showed the youth group so many new things that everyone enjoyed. The most life changing experiences were when she introduced me to the TMC Children's Clinic, helping serve the homeless veterans, making treats for animals, and making dignity bags. Being a part of this wonderful church community helped me to understand what being a Catholic really is. This has been such a great journey and I'm excited to take my next step in life." We are also so excited for Alexis, who was a wonderful and generous part of Youth Group. She participated in so many projects, traveling to the Children's Clinic on the TMC campus and Amado to help Equine Voices. We are so grateful and excited to be part of her future successes!

Youth Group Summer Events are in the planning stage...some ideas are movie & lunch after Mass; Mt. Lemmon trip; group walking dogs at PACC; off-campus movie at a theater; setup Autism camp at Horses with Wings; Children's Clinic party and more. All dates are TBD. Keep watching the bulletin for confirmed dates!
