Dear Friends in Christ,

Are you in need of assistance or know anyone in need of assistance?

This is a difficult time for everybody, and for some it is extremely difficult. I'm thinking of those that are most at risk – older members of our community and those with compromised immune systems. Members of our parish are offering to assist by shopping for those members who cannot get out and do for themselves. If you know of anybody in this situation please let them know this ministry is available to them.

Please keep in mind that we're scrambling and trying to do our best to be of assistance, so it may not go perfect and without hiccups. We are all in uncharted territory in so many areas. The volunteers will be as conscientious as possible in regards to the coronavirus, wearing gloves, distancing themselves, etc. We do ask that the request be for essential items, and also please understand that some items may not be available.

If you or someone you know is in this situation, please contact Ralph Garcia to start the coordination process. He will be able to explain the details when contacted. Ralph's contact information is:

Telephone: 520-247-2218  
Email: [ralphg258@gmail.com](mailto:ralphg258@gmail.com)

Blessings to you all,

Fr. Chris
