## What is Youth Ministry?

We use a comprehensive model of youth ministry with three main points:  
**Faith, Fellowship and Service.**

The goal is also three fold: 1) To empower young people to live as Disciples of Jesus Christ in our world today. 2) To draw young people to responsible participation in the life, mission, and work of Jesus and the Catholic faith community. 3) To foster the total personal and spiritual growth of each young person.

The goal of the Youth Ministry Team is to create a youth friendly parish which threads the youth throughout the community. We invite the youth to have a more active participation in the mission of Jesus and in the church as a whole. We will strive to create social activities with peers in a moral and Christian atmosphere and embrace and explore the teaching of the Bible during our Youth Group sessions. The youth will have the opportunity to discover and evangelize the mission of Jesus through fulfilling and uplifting parish, community and global service!
