# *Special Needs Ministry*

The mission of the Special Needs Ministry is to connect those who have a special need (such as rides to the doctor or to church, temporary help during serious illness, assistance during family emergencies, etc.) with those who have volunteered to extend help of various kinds.

Members of this ministry are notified of a need from the church office or from parishioners and make calls to the list of parishioners who have volunteered their help. The time commitment in calling is minimal because these are only occasional situations.
