THE ANOINTING OF THE SICK  
BY APPOINTMENT

From the Desk of Fr. Chris

The dictionary says that an epiphany is a sudden, intuitive perception of or insight into the reality or essential meaning of something, usually initiated by some simple, homely, or commonplace occurrence or experience. It comes from the Greek word, Epi-phanein, to manifest or appear. Literally it means to shine upon. An epiphany is the light bulb turning on, that ah-hah moment. The epiphany for the Magi is that as they gaze upon a little child, they recognize the Christ. As we begin a new year, we pray it may be one filled with Epiphanies, that we may recognize the Christ in the commonplace and in the ordinary.
