2026 CAR SHOW HIGHLIGHTS (EXHIBIT 3 OF 3)

Besides running refreshment booths and providing car show administration, members of the Knights of Columbus also sold raffle tickets in order to raise money in support of the various charities they sponsor (top left). After winners were selected by a team of judges, car show owners were awarded trophies by category (top right). As a light rain shower passed over the event, the final winner, Best in Show, was announced. This year the top award went to Danny & Maria Quihuis (below left) who entered their burgundy 1956 Ford F100 shown at lower right. On behalf of Council 12696, we congratulate all trophy winners and extend our sincere appreciation to participants, visitors, and volunteers.
